

*A Night in
Old Mexico*

All proceeds benefit Mi Casa Foundation, which is dedicated to providing aid to missions in Mexico that care for children who have been abandoned, abused, neglected, or orphaned, and homes that care for abandoned elderly. The Foundation recruits volunteers and raises funds so that they can continue serving those most affected by poverty. These missions have offered refuge to thousands of children and elderly through the years, all while being supported almost entirely by donations.

*May God bless you for your support.
